

Wish for a Cure...

Join us in supporting Breast Cancer Awareness Month

During the months of October through December, we proudly partner with

Pinked Perspective, Inc.

A local, faith-based organization offering support to those facing a breast cancer diagnosis by delivering kits filled with items helpful for surgery and/or treatment recovery.

How You Can Help:

- ★ Visit Traynham's Jewelers in Arnold Station and fill out a "wish list" of your favorite items.
- ★ For every wish list completed Traynham's Jewelers will donate \$5 to Pinked Perspective and add \$5 to contributions of any amount made by customers.

Together, we shine brighter!
